

THE CITY OF YPSILANTI NEWSLETTER

MAY 2022

FROM THE DESK OF THE CITY MANAGER

Greetings from the City Manager's Office. It's hard to believe it's already May! Let's try to look at this month as a different chapter for everyone, and let's make a difference in our community. Now that the weather is beginning to change, opportunities are always blooming, just like the flowers. Many events are happening here in the city; please stay up-to-date with our calendar. The Bicentennial Committee is organizing events for next year, and if you're interested in volunteering, please reach out to ypsilantibicentennial@gmail.com or our Communication Manager at tkoch@cityofypsilanti.com.

Also, on May 14th Embracing our Differences SE Michigan will have an [opening ceremony for the murals](#) to be displayed this Spring and Summer

here in Riverside Park and Parkridge Park.

Again, thank you to everyone for your patience with the current construction situation on Huron. The project is coming along smoothly, and just like the months fly by, in time, so will the orange traffic cones. The results will be tremendous for our city's longevity, and I appreciate everyone involved in the process. For more information on the road renovation, please visit our website at [Ypsilanti Road Renovations](#).

I want to remind everyone that the COVID-19 pandemic remains a severe threat in our community. The best way we can support one another is by getting vaccinated and following state and county guidelines to reduce the spread of the virus. We

must work together as a community to keep one another safe. Please get in touch with the local health department regarding vaccination and testing opportunities in the community. Stay safe, stay healthy and please wear your mask.

Staying Connected,
Frances

FROM THE DESK OF MAYOR LOIS ALLEN RICHARDSON

Greetings, Time to enjoy the May flowers those April showers promised to bring. As we think of the month of May we automatically think of two very important days; Mother's Day and Memorial Day. These both are days of celebration and remembrance.

We also celebrate the National Day of Prayer. This year there will be a celebration here in the city on May 5, at 12:00 noon. People of ALL FAITHS are welcome. When we think of the state of our nation, and of the world there is no doubt that prayer is needed. The prayer ceremony will begin outside of City Hall and

proceed up Michigan Ave. and end with prayer and song at the Patsy Chandler fountain by the Library. What a wonderful way to spend a lunch hour. Please join us.

Need something else to get excited about, art is coming to town. On May 14, the "Embracing Our Differences" art display will be launched at both Riverside Park and Parkridge Park. The art pieces are from students across the nation, showing how much more alike we are than different or another way to say it is 'how much our differences make us alike'. Be sure to take time to visit the exhibits they will be up all

summer. Similar displays have been and are being exhibited across the country. Don't miss out!

May is also the time when the weather begins to be warm enough to spend more time outside. This is an excellent time to reach out to our neighbors to get to know them

better and develop relationships that will bring our neighborhoods closer together. Time for neighborhood clean-ups to get rid of the last murky reminders of winter. The weather is finally permits us to begin our gardening, whether it will be those luscious red ripe tomatoes we will enjoy later in the summer or those beautiful flowers that will bring bright colors all summer long. Let's work together to make our city beautiful one yard, one neighborhood at a time.

This year we celebrate Mother's Day on May 8th, it is a day set aside for celebration honoring that one or

BARRIER BUSTERS IN WASHTENAW COUNTY

Aiding residents in need is what Barrier Busters does, and they see favorable outcomes in households they have assisted since 2009. For those who aren't familiar, Barrier Busters is a group of 100+ social service providers dedicated to improving services responding to emergency scenarios for Washtenaw County residents—providing social workers, case managers, and other direct service assistance for members.

According to the Washtenaw County of Community and Economic Development, the total assistance provided to the city of Ypsilanti residents totaled \$113,504 alone in 2021. The top three requests provided to residents include

Utilities, Transportation, and Housing. Before 2018, average annual funds totaled between \$200-\$300k, but in 2020 there was a significant increase in funds, and in 2021, Barrier Busters received more than \$500,000 in funding.

Community members who have an immediate need for relief, please get in touch with the helpline at 2-1-1. Members looking for assistance with utilities, housing, transportation, and health assistance in Washtenaw County may find this a fantastic resource.

For any information on how to become a barrier buster, please visit the [Barrier Busters website](#).

CITY UPDATES

MICHIGAN'S THREE-FOOT PASSING LAW: PROTECTING ALL WHO SHARE THE ROADS

The [City of Ypsilanti Non-Motorized Advisory Committee](#) reminds everyone that with warmer weather arriving in Michigan, people

ranging from school children to senior citizens (some could befriend, a friend of a friend, or a neighbor) will roll out their bicycles and legally use

the roads for recreation and transportation. With this in mind, motorists should be familiar with the law that went into effect four years ago that requires drivers to keep a distance of at least three feet from bicyclists when passing them in a motor vehicle.

Simply stated, the National Highway Traffic Safety Administration encourages all road users, including motorists and bicyclists, to respect each other and foster a safer transportation environment. Bicycles on the roadway, in all 50 states, have the same rights, and responsibilities as motorized vehicles.

With this in mind, Bicyclists should:

- Obey traffic signals, signs, and markings.
- Ride with traffic and follow the rules of the road.
- Use hand signals when turning or

CONT. PASSING LAW

- stopping.
- When dark, a white light on the front and rear red reflector is required.
 - Be visible: wear appropriate high visibility safety gear, including a helmet.

Motorists should:

- Give at least 3-feet when passing bicyclists.
- Avoid distractions. Look outside - not at your phone.
- Obey the posted speed limit.
- Obey traffic signals, signs, and markings.
- Stay alert and take extra caution at intersections, especially when making turns.

Keep in mind a car weighs 2 tons or so, while the average bike is a mere 30 pounds. In any collision where there is a physical interaction between car and bike, the bicyclist always loses. So please, the three-foot passing law is not about painting the motorist as the bad guy. There are scofflaws on both sides and the key is to lay down the rules for all parties to follow, make sure the parties know the rules, and then enforce them.

BIKE-BUS-WALK WEEK IN YPSILANTI – 5.15 -5-21

Bus. Bike. Walk.

Your car is not the only way to get around Ypsilanti! During Bike-Bus-Walk Week, May 15th to May 21st, we urge people, just once, to try bicycling, walking, or taking the bus for transportation for work, errands, or just to get around. We hope that once you try these alternative forms of transportation, you will be encouraged to continue using them all year. On the Friday of Bike-Bus-

PEN DAM UPDATE

Our town hall was on April 27th, 2022, at the Ypsilanti Freighthouse. We would like to thank everyone for their patience and support. The town hall allowed community members to share any questions about what they can expect to see within the upcoming Huron River with our partners at Huron River Watershed Council.

Thank you to everyone who has participated in meetings over the

Walk Week, May 20th, there will be a national Bike To Work (or class, or errands, or just for fun) Day information station at the Library Plaza Park, on the east side of the downtown Library, from 7 am to 9 am with bicycling information and snacks. For more information on Bike-Bus-Walk Week and bicycling, walking, and bus service in Ypsilanti, visit www.bbwypsi.org.

past year. Everyone’s input matters for those who attended virtual meetings or completed a survey, and we want to thank everyone involved in this long process. We hope that with the dam removal our community will see positive results from all the hard efforts. Those who want to know more information on the history and impact of the Peninsular Dam can refer to the City [website](#).

945 CLARK UPDATE

All of the 945 Clark Community Benefits meetings have concluded. The next step is presenting the proposed ordinances to Council.

The committee requires that the developer has property management accountability in the following:

- Residents may request an accessibility improvement and receive a receipt communication within two business days and a response within one week and have the amenity installed within fifteen days, or be provided further communication on when the amenity will be installed.
- Residents will not be penalized for forming a resident committee in a different manner than outlined in this agreement.
- Residents may request a repair and expect that repair to be made in a timely manner and be communicated a timeline for said repair.
- Residents will be provided the city-created handbook and additional information including a copy of the community benefit agreement, and protections for

tenants provided by the city, and upon payment of the PILOT, the owner must submit an affidavit indicating this information was provided to tenants.

Other agreements included More units for lower AMI, where the city would approve a 3% blended PILOT for more affordable housing. Food Pantry/ Free Store for residents of a budget within \$8,000. Onsite tutoring and community space. Resident Governance Committee, for the upcoming development. Ypsilanti Targeted Promotions, asking that the developer engages in targeted promotion for city residents. Energy/Air Quality, with insurance of energy efficiency and testing available to all. Formerly Incarcerated Sponsors (Those with Felony Charges), Easement Agreement because of removal of the Pen Dam. The City provides as a part of this development a covered bus stop, Leforge corridor beautification, maintenance, and safety; including bike lanes and pedestrian barriers, information on Pen Dam, and ecological impacts.

TAX CREDIT FOR HOME OWNERS IN A HISTORIC DISTRICT

We're excited about the new state income tax credit for Michigan residents who own a home or commercial building in a Historic District. To revitalize Michigan Communities, the state established a new Historic Tax Credit program. This program will aid in supporting place-based projects while promoting the preservation of Michigan's historic structures. The city of Ypsilanti plans to hold an

infoshop with the Tax Credit Program Coordinator Bryan Lijewski on Wednesday, June 15th at 7 PM at Ypsilanti's Freighthouse to share knowledge with interested community members. The event is completely free, we just ask that people register prior.

The Legislation places the following requirements on the Program:

1. Property must be listed in the National Register of Historic Places, the State Register of Historic Sites, or be in a local historic district. Either be individually listed or contribute to a listed district to be eligible for the Program.
2. The Program has a \$5 million cap per calendar year, which will be divided as follows:
 - \$2 million for commercial with expenses greater than \$2 million
 - \$2 million for commercial with expenses of \$2 million or less.
 - \$1 million total for owner-occupied residential projects.
3. Credit reservations will be awarded on a first-come, first-served basis.

For more information on the State of Michigan Tax Credit Program please visit [Historic Preservation Tax Credits | MiPlace](#). Registration for the June 15th event will open soon at Cities [Historic District landing page](#).

FUNDRAISER FOR UKRAINE AT THE SENIOR CENTER

The Ypsilanti Senior Center is holding a fundraiser for Ukrainian relief. It is open from April 1 - May 15. On May 15 from 1-4 the center will have demos of Pysanki, the history and how to make them.

You can pick up coloring pages and submit completed artwork at the Senior Center on or before May 15th. Coloring sheets will be judged on creativity, color selection, and fun!

The Ukrainian society from Hamtramck will choose the winning coloring pages.

FREE SWIM LESSONS AT RUTHERFORD POOL

The Friends of Rutherford Pool board has been hard at work securing some fantastic grants that we were waiting to hear on. Thanks to the grants from **Huron Clinton Metroparks** and **Trinity Health Care System**, we now know that we can offer free swim lessons to residents of the 48197 and 48198 zip codes! While we can't serve every child, we have worked to increase some of our class sizes while still keeping the integrity and safety measures of the lessons in mind. Along with the lessons, we will be able to provide free goggles to the youth at their first lesson and if a swimsuit is needed, we will provide one. After completion of their 8 classes, a child's punch card will be awarded.

The grants do not cover our entry fees and unfortunately like most things they have had to go up in price to cover the increases that the pool needs to cover.

Thank you to the volunteers who worked last weekend to remove sod, spread dirt, and place sod. Special thanks to <https://lotusgardenscapes.com/> for their donation of time and some materials.

Sunday, from 1 pm-4 pm staff will be at the pool to sign people up for

swim lessons and sell passes. Please bring your calendars so that we can make sure we get you in the correct session.

All swim lesson sessions run Monday-Thurs for two weeks with Friday held for weather-related closures.

Times:
9:30-10:15, 10:15-11, 11:05-11:50

Levels:
Beginners, Advanced Beginners, Intermediates and Advanced go to forpool.org for level descriptions.

FIRE STATION UPDATE

The Car Seat Program resumes on the 3rd Tuesday of Each Month at the Ypsilanti Fire Station (525 W Michigan Ave, Ypsilanti, MI). The next meeting will be held on May 17th from 12 PM - 3 PM. For those who are interested in more knowledge on how to safely buckle children in automobiles this program is for you. There is no registration required just show up at these meeting times. For any questions or for additional information please contact the number (734) 763-2251.

Swim Lesson Dates:
Session One June 13-24th
Session Two June 27-July 8
Session Three July 11- July 22
Session Four August 4-15

We will have four **Saturday lessons** that run four an hour from 11-12 pm on July 9,16,23,30

We offer **adult** lessons on Monday and Wednesday evenings from 5:15-6 pm

Baby Bubbles (parent and 2 and under) classes are also free. July, 3, 10,17,24. 11-12 pm

Prices for Entrance

YPSI ROAD RENOVATION

YPSI ROAD RENOVATION

Big Changes are coming to Downtown!

Beginning in 2022 and through 2023, the Ypsilanti Community Utilities Authority, the Michigan Department of Transportation, and the City will be working together to improve the safety of our drinking water and our transportation system. This project will affect traffic on Huron from I-94 to Cross; Hamilton from I-94 to Washtenaw; Washtenaw from W. Cross to Hamilton; and Michigan from Ballard to the Huron River.

YCUA will be replacing and upgrading many of the underground water mains, including some of Ypsilanti's oldest, most fragile pipes; they will also be replacing some water service leads and taking this opportunity to replace some sanitary sewer as well. This is being done both to remove older pipe materials in both systems and to improve the reliability of service.

MDOT will be simultaneously constructing a pedestrian pathway over I-94 by converting the westernmost southbound lane of Huron to a shared use path; and also following YCUA's work with a pavement maintenance and road diet project. In areas paved with asphalt the existing asphalt will be milled off and replaced; in areas paved with concrete damaged areas will be removed and re-poured. MDOT will also be adding and updating many pedestrian crosswalk ramps, including on Michigan Avenue downtown. Once the pavement work is complete, the roadways will be restriped with bike lanes, improved crosswalks, improved bus stop markings, and additional on-street parking.

For more information about this road diet project, please visit: cityofypsilanti.com/RoadRenovation. The pavement project will improve and extend the life of the roadways; the road diet project will improve the safety of the roads for all users.
